MODEL
0714E[®]
WIDE
14ECFP58 & 14ECFP1

Full length, custom fit kneepads made to your personal measurements. This custom fit creates even weight distribution that takes weight off the joints & spreads it out over the length of the shins, reducing direct pressure on the knees. This forces the user to use proper kneeling techniques that can preserve knee health & aid current knee conditions.

Available in: 2 cushion thicknesses | 2 knee seat widths | 18 lengths
