**STANDARD** **WIDE**

**CUSTOM FIT KNEEPADS**  
PATENTED WORLDWIDE

- A PATENTED SHIN SUPPORT SYSTEM that spreads weight across the length of the kneepads & assures kneepads stay in proper position at all times
- 18 LENGTHS that enable strap location well below the knee joint
- 2 WIDTHS in Standard and Wide for an optimal knee cup fit that stabilizes the joint
- ANTI-TWIST CUFF keeps pads from twisting

## SHARED FEATURES

- 2 CUSHION THICKNESSES in 5/8" & 1" for ultimate shock absorption and comfort level
- ALL PARTS REPLACEABLE to extend the life of your pads
- TUCKED IN NO WRINKLE LINER is hand washable & moisture wicking
- KNEE POCKET SHAPE & FLAT BOTTOM DESIGN stabilize knee joint to reduce joint wear-out and knee burn pain
- RUBBER BOOT with tough 3 ply non-skid & non-marking properties upholds against extreme working conditions
- SMARTLOCK® PLUS QUICK RELEASE BUCKLES automatically locks in your perfect strap length with just a pull for a comfortable fit you can work in all day long

**AP16**®

**ALL PURPOSE KNEEPADS**  
PATENTED WORLDWIDE

- SLOTTED LOWER FRAME AND LIVE HINGE create a "glove-like" feeling
- RADIUS ON FRAME PERIMETER RIBBING provides maximum flexibility in extreme kneeling conditions
- ADJUSTABLE STRAPS are pre-angled to allow two different strap placement options
